

2013

- 03.02.13–05.02.13 Participation to the “XXIII Convegno Nazionale di Calcolo delle Variazioni”, Levico Terme (TN).
- 06.02.13–08.02.13 Participation to the final meeting of the evaluation panel for mathematics (GEV 01) of the National Evaluation Agency (ANVUR), in Milano.
- 24.02.13–28.02.13 Participation to the “Cologne Conference on Nonlinear Differential Equations”, Köln (Germany), with lecture 27.02.13 on “*Some new problems in spectral optimization*”.
- 18.03.13 Lecture at the “Séminaire Parisien d’Optimisation”, Institut H. Poincaré, Paris, on “*Some New Problems in Spectral Optimization*”.
- 17.03.13–28.03.13 Scientific visit to Département de Mathématiques of Université de Paris-Sud, as invited professor of Gaspard Monge Program in Optimization (PGMO), with series of lectures on “*Topics in Shape Optimization*”.
- 19.04.13 Lecture at “Lions Club of Lecce” on *Ricordando Ennio De Giorgi*.
- 06.05.13–08.05.13 Scientific visit to Department of Mathematics of RWTH Aachen University (Germany), with lecture 07.05.13 on “*Optimal potentials for Schrödinger operators*”.
- 09.06.13–13.06.13 Participation to the conference “Calculus of Variations and Differential Equations”, Lausanne (Switzerland), with lecture 10.06.13 on “*Optimal potentials for elliptic operators*”.
- 23.06.13–27.06.13 Participation to the conference “Mathematical Paradigms of Climate Science”, Rome, with lecture 25.06.13 on “*Optimal location problems with routing cost*”.
- 01.07.13–12.07.13 Scientific visit to Département de Mathématiques of Université de Paris-Sud, as invited professor of Gaspard Monge Program in Optimization (PGMO).
- 25.08.13–05.09.13 Organization (with O. Glass and E. Zuazua) of the workshop “Partial differential equations, optimal design and numerics, V”, Benasque (Spain).
- 23.09.13–27.09.13 Participation to the conference “New Trends in Shape Optimization (Analysis and Numerical Simulation)”, Erlangen (Germany), with lecture 23.09.13 on “*Optimal potentials for Schrödinger operators*”.
- 03.10.13–04.10.13 Participation to the conference “Modelisation with Optimal Transport”, Grenoble (France), with lecture 04.10.13 on “*Optimal potentials for Schrödinger operators*”.
- 28.10.13–01.11.13 Participation to the conference “Non-Equilibrium Statistical Mechanics and the Theory of Extreme Events in Earth Science”, Isaac Newton Institute for Mathematical Sciences, Cambridge (UK), with lecture 01.11.13 on “*Optimal location problems with routing cost*”.
- 04.11.13 Member of the hiring committee for a researcher position at the Department of Mathematics of University of Parma.
